Report

Rodrigo Valente n 20250159

Teresa Gamito n 20250161

Division of work:

For convenience and easy reading this document will represent our names using our initials: Rodrigo Valente - RV; Teresa Gamito - TG

The project was made as a team with both members working on all the tasks but with different weights. The progress of the milestone was done by scheduling tasks through the weeks, mostly divided by:

Presentation slides:

- Slides were mostly done by RV
- Cleanup was done by both RV and TG
- Background was made by RV
- Images and mockups were done equally with animation structure done by RV

Game design document:

- Updates to the document were made by both

Prototype:

- Structure was made by TG
- Programming was done mainly by TG
- Early board development was done together
- Development of the Lance piece was done by RV
- Windows porting was done together

Report

- Made as a team effort
